OPT-OUT REWARDS

Girl Scouts have asked for more reward experiences. They can choose between physical items or have experiences and memories to last a lifetime at the 525+ or 1000+ package level!

For example, if they reach the 750+ package level they can opt-out at the 525+ level to earn the \$100 camp credit and still earn a day at Cliff's. Girl Scouts can opt-out and still earn more! Opt-out rewards are non-cumulative.

OPT-OUT at 525+ Packages

Girl Scouts have their choice of every reward listed OR opt-out of all reward levels from 40 to 525 Packages to receive a \$100 camp credit.

OPT-OUT at 1000+ Packages

Girl Scouts can choose opt-out rewards to take to the friendly skies and learn about aviation. After your lesson about flying, take home a \$200 Southwest Airlines Gift Card to travel.

Instant Digital Cookie Rewards

All Packages sold whether direct ship, girl delivery, or in-hand sales using the Digital Order Card (DOC) count toward these rewards. Rewards are picked up by troop volunteers at cupboards or mailed to troop leaders on a weekly basis beginning initial delivery week.

Program Credits

Program Credits can be used in the gsEvents registration system to pay for council programs and camps, for local events held by the Service Unit, or be converted for funds to help their troop for an extended troop trip. Program Credits will expire on April 30, 2025, for the 2024 Cookie Program. Families will receive an email with more information on the Program Credits earned in the weeks following the cookie program.

*Reward Experiences

Reward experiences are designed to help Girl Scouts build courage, confidence and character by experiencing time with other Girl Scouts. Experiences are chaperoned by council staff members and the required Safety-Wise adult ratio. Unless otherwise noted, experiences are for cookie reward earners only.

Please note that the dates for the rewards will be released on Tuesday, January 30th to help families set and achieve goals and determine reward choices.
