Did you know that Girl Scouts of New Mexico Trails has many ways to make your Girl Scout experience more fulfilling (and a little easier)?

For Families

- **Find the right fit** for your Girl Scout by letting our council staff assist with troop moves and transfers.
- **Bring the whole family** to certain Girl Scout events and activities open to parents and siblings.
- **Phone a friend** when you need help navigating our website. Our Customer Care team is happy to help walk you through registration step-by-step.
- **Get together** with other Girl Scout families or camp on your own by renting space at either of our two mountain camp properties.
- **Worry less** about the cost to participate in Girl Scouts. Our Opportunity Fund is available to assist with the cost of membership, uniforms, special events, and camp.

For Girls

- **Have it your way** by participating as a Girl Scout Juliette or in a troop that meets when it's convenient for you.
- **See the world** on your own or with your troop/group with special travel opportunities and financial assistance just for Girl Scouts.
- **Make new friends** at one of our overnight camps this summer. Not ready to spend the night away? Sign up for a week of day camp at our Albuquerque Service Center.
- **Get certified** in First Aide/CPR with monthly training programs from the American Red Cross.
- **Bring a friend** to see what Girl Scouts is all about during special events and activities that are open to non-members.
- **Make money** with your new babysitting business after completing your American Red Cross training through Girl Scouts.
- **Get help** with your Bronze, Silver, or Gold Award with monthly office hours and 1:1 counselling specifically for girls pursuing their High Awards (and the adults supporting their efforts).
- **Get dressed** in your new Girl Scout uniform or official apparel, available for purchase online or at La Tienda (located at the Albuquerque Service Center).
- **Start planning** all the events, programs, and trainings you want to attend using our annual Trails of Discovery program guide (online and in print).
