

# Family Camp

Family Camp is a great way for girls to get to know camp before they are ready to come on their own, or an awesome way to spend some time together as a family during the summer! You come to camp, we do the rest! Family campers get lodging, food, and full programming for a weekend of stress-free fun. Adults are responsible for supervising their children during Family Camp, with the exception of Sister/Buddy camp. No bus transportation will be offered for Family camp.
