

## New Early Bird Patch & Incentives

### April 1 - June 30, 2024

Early Bird Spring Renewal for the 2025 Membership Year is the opportunity for Girl Scout troops/Juliettes to renew their girls and parents during the spring to keep them engaged in the Girl Scout Leadership Experience into the next school year.

By renewing during Early Bird, you will have time to plan for the upcoming year knowing your girls will be back. Renewing also means that girls and parents will be able to meet, go to camp, participate in the GSNMT Product Program and so much more. Register your whole troop all at once TODAY!
