

## Authorization to Administer Medications at Camp

Please completely fill out this form. If the staff/camper is under 18 years old, this form must be filled out by a parent/guardian. Completion of this form authorizes trained Girl Scout staff and volunteers to administer any and all of the medications listed; at camp this is person is the Health Supervisor or other designated First Aider when they are off camp.

List below the medications that were noted on your health form that you take on a routine basis (daily, weekly, monthly, as needed); this includes both prescription and non-prescription drugs. **All medications must be in the original container with the person's legal name and manufacturer label on it.** Medications presented in a weekly pill container, baggie, etc will not be accepted. During Check In you will turn in this form, the Medical Form and Parent Permission, and **all** medications to the Health Supervisor.
