

Together campers, parents/guardians, and camp staff will help create a Safe Place for everyone to Enjoy! As you know, all staff are carefully interviewed and screened before hire and supervised throughout the season. Campers will also contribute to our Safe Place environment and be held accountable for all their actions.

Please read and discuss the follow expectations and consequences with your camper:

Parent/Guardian Agreement

I have read the Safe Place Camper Contract and discussed it with my child. To the best of my knowledge my child and I understand the behavior that will be expected from them while they’re at camp AND during any out of council trip. I understand that I will be contacted, in a timely manner, if my child violates any of these expectations. I agree that if it is deemed unsafe (by the Administrative Team at camp) for other children or staff or for my child to remain at camp I will make arrangements for them to be picked up early. I understand that no refund or portion of a refund will be provided if my camper leaves early due to behavioral issues.
