We are pleased to have your Girl Scout as part of our program. Thank you for entrusting your Girl Scout into our care. Girl Scouts of New Mexico Trails is committed to safety for our participants. We want to ensure that each Girl Scout is released at the end of their program into the care of an adult caregiver or emergency contact.

Even if you plan on picking up your Girl Scout yourself, list three other adult (18+) alternatives. This is a precautionary measure that is required in case the unexpected arises and you are unable to pick up your Girl Scout. Adults listed on your registration and health forms as "Emergency Contacts" are automatically authorized to pick up but you should list them below as well. Please remind whoever is picking up to bring photo ID. This is required to release all campers/program participants.

Instructions:

1. Please have the following information completed to indicate who is authorized to pick up your camper.

<p>In addition to myself, I authorize these people to pick up my camper. (Please print their NAME as it appears on their photo ID and a PHONE NUMBER clearly.)</p>
