For a third year, Girl Scouts of New Mexico Trails will raffle a large plush mascot in December. There are three ways Girl Scouts can gain entries to the raffle:

1. Girl Scouts who sell at least 12 candy or nut items will earn 1 entry.
2. Every magazine subscription sold will earn a Girl Scout 1 entry. If they sell 12 magazine subscriptions online, they will earn 12 entries.
3. Girl Scouts can submit pictures of themselves participating in the Fall Product Program. Each picture must have something related to MagNuts in the picture. For example, Girl Scout placing doorhangers around their neighborhood, working on their M2 websites, taking in-person orders, or delivering product in November, and these are just a few ideas. Pictures must be submitted online by December 1st using the GSNMT Photo Submission form. Photos must be taken during the 2021 MagNut Program. Forms must include the Girl Scouts name and the word MagNut in the description box. Each photo will equal one entry with a maximum of 5 entries. Photos will be used for future Fall Product Program publications and marketing. Please use this form to submit pictures: <https://www.jotform.com/211247095384053>
