

This year's 2022 Fall Product Program provides girls with an opportunity to "go bright ahead" while learning more about the Hawaiian Monk seal.

## Getting Your Juliette Started in the 2022 Fall Product Program

### Step 1: Complete the 2022 Juliette Fall Product Program Caregiver Agreement:

One caregiver of a Juliette needs to complete their Juliette Fall Product Program Caregiver Agreement form online at:

<https://forms.gle/QTWL3rEEj6UMWjnJ8>

This lets us know who the primary adult responsible for the family's Fall Product Program will be.

### Step 2: Complete the 2021-2022 GSNMT Product Permission form:

One caregiver of a Juliette needs to complete the 2021-2022 Product Program Girl Permission and Parent/Guardian Responsibility form:

<https://forms.gle/ejfrXXNScXB3ChLm7>

This reviews all the rules for families for Product Program activities.

### Step 3: Watch 4 training videos online

The training will be available on Monday, August 29<sup>th</sup> in the evening. If you complete the Juliette Caregiver Agreement by Sunday, August 28<sup>th</sup> and log into the gsLearn system in the MYGS online system, you will have access to the training when it goes live. You will be notified via email when the training is available. Families who submit their form after August 28<sup>th</sup> will gain access to the training within 72 hours of completing form and can check the gsLearn system for their training. gsLearn is now mobile friendly!

### Step 5: Check Email

The next business day after completing the training, you will receive an email from GSNMT regarding picking-up materials, next steps, and Juliette specific information.

### Step 6: Attend a MagNut Q&A Session

If you have questions after watching the trainings or need additional assistance, you can attend a virtual Juliette MagNut Q&A Session with the GSNMT Product Program Manager on Zoom. Dates for sessions will be provided in the training and follow-up email. The session is optional but highly recommended.
