

## Money Skills- Goal Setting Patch

Girls set goals with their troop/group, create a plan to reach them and learn how to meet deadlines.

*Because your Girl Scout sets sales goals and develops a plan to reach them...*

- *She won't tell you on Sunday night that her science fair project is due tomorrow.*
- *When the time comes, she'll be ready to create a well-thought-out plan for researching colleges and applying for scholarships.*

### **Activities- Complete three of the five activities below**

1. What was the troop goal? How many items/boxes did your troop decide to sell?
2. Tell a parent or family member what your troop plans to do with the money it makes.
3. What is your personal goal? How many items/boxes are you planning on selling?
4. What happens if you or your troop doesn't meet the goals set?
5. Have you ever made a New Year's resolution? How well did you do in keeping those goals? If you are having trouble sticking to your goals, what can you do to make keeping them easier?
