

Continue the Legacy! Renew for Our 110th Year

For 109 years, Girl Scouts in New Mexico have followed the Girl Scout motto: Be Prepared. So be prepared for the 110th year and renew your Girl Scout membership for the next year!

By renewing your membership early, you'll be ready to participate in all the fun programming this fall without worrying about memberships during the busy back-to-school season. Your Girl Scout will also be prepared to take part in the Fall Product Program. Troops can take advantage of improved troop registration to renew the entire troop at once! Plus, you'll earn these incentives!
