Opt-out rewards are non-cumulative.

Program Credits

Program Credits can be used in the gsEvents registration system to pay for council programs and camps, for local events held by the Service Unit, or be converted for funds to help their troop for an extended troop trip. Program Credits will expire on April 30, 2027, for the 2026 Cookie Program. Families will receive an email with more information on the Program Credits earned in the weeks following the cookie program.

*Reward Experiences

Reward experiences are designed to help Girl Scouts build courage, confidence and character by experiencing time with other Girl Scouts. Experiences are chaperoned by council staff members and the required Safety-Wise adult ratio. Unless otherwise noted, experiences are for cookie reward earners only. Please note that the dates for the rewards will be released on Tuesday, January 27th to help families set and achieve goals and determine reward choices.
