

# 2025 Fall Product Program Troop Chair Guide

*Thank you for taking on the role of Fall Product Program Troop Chair. Your help is extremely important to the success of the program. This guide is designed as a checklist to help you in your role during the coming weeks as you work with the Girl Scouts and families in your troop. Please make sure to read the family guide for full program information. If you have any questions, please reach out to your Service Unit MagNut Chair.*

## August & September

- Get your questions answered by attending a MagNut Q&A session once you have completed training. The information for those sessions is emailed to you after completing training but also can be found on the [GSNMT MagNut Central webpage](#) under the Troop Resources section.
- Obtain materials for the Fall Product Program including paper order cards, flyers on how to set-up a Girl Scout's online storefront, money envelopes, and receipt sheets. These items can be picked up from your Service Unit Chair or the council office. They are also available for download from the [GSNMT MagNut Central webpage](#) under the Troop Resources section. Troops outside of the Albuquerque metro area that don't have a Service Unit Chair, can request for materials to be mailed to them by using the [Fall Product Program Materials Request form](#).
- Prepare your Girl Scouts and families for the Fall Product Program by hosting a family meeting to review the program and share troop deadlines and practices.
- Girl Scout troops have the opportunity to opt out of the physical rewards for the 2025 Fall Product Program in exchange for additional proceeds. In lieu of physical Fall Product Program rewards, the troop will receive additional 3% in troop proceeds for a total of 18% of total sales. Girl Scouts still receive all patches for their individual total sale efforts. Girl Scouts must vote on whether to participate in opt-out option. Only girl members may vote – no volunteer or caregiver may vote. Troops may opt out of rewards if 75% of Girl Scouts choose to opt-in. Troops choosing to opt out must complete a form to verify their choice. The Troop Fall Product Program Chair MUST submit this form by Wednesday, September 24th at 11:59pm. The form needs to be emailed to [customercare@nmgirlscouts.org](mailto:customercare@nmgirlscouts.org).

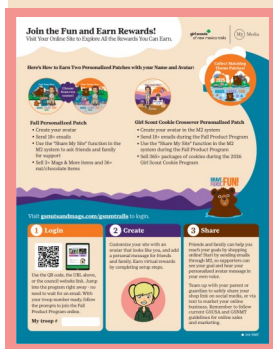

- Use a troop meeting to host a MagNut Mania Rally to prepare your Girl Scouts for the Fall Product Program and get them excited to start selling. The 2025 Fall Product Program Rally Activities guide will be available on the [GSNMT MagNut Central webpage](#) under the Troop Resources section. If your troop completes the activities they can receive a Rally patch for free and earn entries to win the large Zia the Grizzly Bear plush. Plus your troop meeting is already planned!

- Make sure to complete training by Sunday, September 14<sup>th</sup> to receive 1<sup>st</sup> day access when M2OS goes live for volunteers on Friday, September 19<sup>th</sup>. Troops can still participate in the program if training is completed after this date. Access to the M2OS will be provided on a rolling basis every other day starting Monday, September 22<sup>nd</sup>.
