

Halloween Lights Scavenger Hunt

Welcome to the Halloween Season. Troop 11606 and Northeast Metro SU 174 are excited to share our Halloween Lights Scavenger Hunt. This will go with our annual Holiday Lights Scavenger Hunt. The patches will go together, but each event will be separate.

Everyone is invited to participate. Whenever you and your family are out and about during this Halloween season, you can use this list to look for all sorts of exciting Halloween lights, decorations, and costumes in your neighborhood and beyond.

To earn your patch, you need to find at least 18 of the Halloween decorations on the list by October 31st. We do not need you list back.

Registration Deadline: November 4, 2024.
