

Accessing myGS

Description

myGS is the Girl Scout web portal where you can manage your family membership and events and Leaders can manage their troops. Both members and non-members can have myGS accounts. Upon registration an account is created as part of the membership process for all adult members or parents of youth members. If you have questions or issues accessing MyGS, please reach out to our team at 505-343-1040 or customercare@nmgirlscouts.org.

Process

☐ Finding myGS:

Go directly to myGS <https://mygs.girlscouts.org/> or go to our Girl Scouts of New Mexico Trails website www.nmgirlscouts.org and click on MyGS at the top.

☐ Don't have an account or your log in?

On the Login page, start by choosing “reset password” below the login information. If you or your child is a member, your email address will be the one tied to your membership or tied to your child’s membership. Not sure what email that is? It is probably the one that receives emails from Girl Scouts.

If you do not have a membership or a child with a membership or if it says that there is not an account, you will need to make an account. You will need access to your email to verify it.

Once you’ve logged in, you’ll have access to the “My Account” on the top bar. This frequently opens automatically. My Account includes your household and troop information, your event information, plus links to VTK and gsLearn. Please see the myGS FAQ for more information.

Please reach out to your local membership staff person with any questions.

Processes are subject to change. Always refer to Volunteer Essentials, Safety Activity Checkpoints, and your local membership staff person for the most current information.
