Registration Guidelines & Deadlines

Register as soon as registration opens—early registration allows our team to prepare appropriately for each participant's needs—from materials to supervision to program quality.

Do not wait until the deadline—events may fill before that date, and waiting too long may also result in a program being canceled due to perceived low interest.

Registered attendees may receive access to pre-event communications, activity selections, or important updates.

Please note: Registration deadlines align with staff availability to provide support.

- Friday deadlines are at 12:00 PM (noon)

These deadlines ensure our team is available to assist with any registration questions or issues. Waiting until the last day or final hours may limit our ability to provide support if something goes wrong.

Please note: Once registration closes or capacity is reached, we are unable to make exceptions.

Notes from the Communications Team

We know how important volunteers are to the Girl Scout organization. You are key in bringing the best experiences to the girls you serve, and sharing the Girl Scout story to bring awareness to those outside our organization.

How You Can Help Us

Share Your Photos and Stories

We rely on volunteers and caregivers to send us photos that document all the great things girls and volunteers are doing.

Please keep those photos and videos coming to www.nmgirlscouts.org/missionmoments.

Send Us Promotionsal Material or Other Branded Items for Approvals

Before sharing flyers or buying shirts, please send your art to us for approval. This helps us keep your designs and the Girl Scout brand looking as good as possible.

Follow Us on Social Media

Keep up with what Girl Scouts in your community are doing by following us on Facebook, Instagram, TikTok, YouTube, and LinkedIn! Sharing our posts on your troop pages helps spread the word about events to those that may not follow us, and sharing to your personal accounts helps others learn more and today's Girl Scouts.

Sharing Your Stories with the Media

We're excited to help you tell your Girl Scout stories! Please allow our communications team to reach out to local media on your behalf. We will review your materials, assist with any messaging needs, and ensure branding is correct. We can also give you tips on interview etiquette!
