

Trash Your Trash!

Leave No Trace Application for Younger Girls

Reduce: to use less of something.

What are some things that you can use of less of in your house or when you go out?

- Example: Using less toilet paper, only using a small amount and being deliberate and slow when pulling them off the roll (so it doesn't all come spinning out, because then you have to put it away)
- _____
- _____
- _____
- _____

Reuse: to use something more than once, either as it was originally OR by giving it a new purpose.

What are some items in your house, car, or at school you can reuse or repurpose?

- Example: Using a pasta sauce jar (after rinsing) to store leftovers or as a vase for some flowers
- _____
- _____
- _____
- _____

Recycle: to break something down and create something new out of it, 99% of the time this is done by machine or chemical means through your city or state.

What are the recycling rules for your neighborhood? List the things you CAN and CAN'T recycle.

CAN	CAN'T
